

PERSONAL PROTECTIVE GEAR SIGN SHEET

With my signature, I acknowledge that today I have received the following personal protective equipment and protective clothing from my workplace manager in impeccable, clean, usable condition.

- I understood the need to use personal protective equipment and protective clothing based on the occupational safety risks (hazards and health hazards) that occur during work and described in the context of training
- I learned how to use and maintain the tools provided to me during the theoretical and practical training.
- I use the personal protective equipment and clothing issued to me according to its purpose.
- I immediately inform my workplace manager about the decrease in the protection ability of the protective equipment and clothing.
